

***Our full curriculum manual includes all materials from each of the spiral-bound sections: 40 Therapeutic Art Projects for Teens, 57 Therapeutic Drama Projects for Teens, 72 Team-Building Games for Teens, and 77 Dive-Deep Discussions for Teens, including all worksheets and companion auxiliary materials. The full manual also includes instructions for how to seamlessly integrate all components into your program along with a lesson plan template, daily report form, and much more. The 429 pages are punched for a three-ring binder to allow you to organize your way and add your own information as needed.***
