

Our team-building games will help your group learn to lean on each other, communicate effectively, and validate each participant as having something valuable to contribute. Much more than ice-breakers, these activities are designed to build cooperation and a sense of belonging among your students.

***And the best part is—They just think they're having fun!
Each includes objectives, detailed procedures, and expected duration.***

Includes suggestion lists and activity sheets.

Spiral-bound, shrink-wrapped and ready to ship.
